GREATER THAN "UNION PACIFIC"! MIGHTIER THAN "THE PLAINSMAN"!

"I thought you Canadian girls were cold...like your northern climate!" When Texas Ranger Gary comes North to get his man—Madeleine gets his heart!

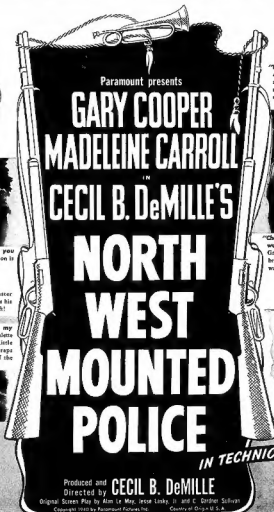

"Take your hands off me, you Cree devils!" Robert Preston is captured by Cree warriors.

Sergeant Preston Foster of the "Mounted" gets his man, George Bancroft!

"When the geese fly north, my heart also fly to you!" Paulette Goddard, as Louvete, the little French Canadian wildcat, traps Constable Robert Preston of the Mounted's heart.

"Fire at their rifle flashes!"

A little squad of Mounted Police, embushed by thousands of war-maddened half-breeds and Indians hold their ground, undaunted!

"I'm here around here!" George Bancroft shows Akim Tamiroff his power over one of his associates in the great half-breed uprising against the Mounted and their law!

"Chief, you sure have a mighty strange way of welcoming a stranger!"

Green Bear's (Walter Hampden) warriors bring Gary Cooper scared, into their war camp.

"I'll teach you to steal my gun!" Lynne Overman as a dark Scotch fur trader sends Paulette Goddard a little too much for his Scotch sense of humor!
